The Million Dollar Advocates Forum is recognized as one of the most prestigious groups of trial lawyers in the United States. The organization was founded in 1993 and there are approximately 4000 members located throughout the country. Fewer than 1% of U.S. lawyers are members. Forum membership acknowledges excellence in advocacy, and provides members with a national network of experienced colleagues for professional referral and information exchange in major cases. Members of the Million Dollar Advocates Forum must have acted as principal counsel in at least one case in which their client has received a verdict, award or settlement in the amount of one million dollars or

more.

For further information regarding membership and qualifications, see www.MillionDollarAdvocates.com. The Multi-Million Dollar Advocates Forum was established in 2007. There are members of the Million Dollar Advocates Forum (established 1993) who may have had multi-million dollar cases but who have not applied for membership in the Multi-Million Dollar Advocates Forum although they may be qualified. Membership in the Multi-Million Dollar Advocates Forum is not intended to imply that a member of the Million Dollar Advocates Forum may not have had multi-million dollar cases.
